7.0 Placement Guidelines:

NMIMS is a premier University of the country and the Business School is in existence for over three decades. Our alumni occupy senior positions in leading companies across sectors. Over the years NMIMS has earned recognition from industry & professional associations, corporates, peer group institutions and accreditation agencies. All these laurels and recognitions would have been incomplete without the support of the corporate world.

It is also a great place to recruit potential young managers and business leaders. Leading companies across sectors consider our students for recruitments/internships.

NMIMS has a cordial relationship with the corporate world and many companies have supported us even during tough times. We would like to continue this mutually symbiotic relationship. Hence, students are requested to understand this sentiment and behave responsibly at all times. Any untoward incident will jeopardize this relationship and have serious repercussions for placements and for the future.

NMIMS as a premier University of higher learning and the corporate world expects students to display high standards of knowledge, capability and excellence. Recruiters also look for serious candidates who are clear about their long-term plans, the sector they want to be and profile they want to undertake.

Placement assistance is offered to students of various programs across Schools. It is the prerogative of the Schools to decide, which of the programs this service should be offered.

The Placement Office of School facilitates the process of placements – internship & recruitment by creating an interface between recruiters and students. Efforts are made to market the programs with their merits with an endeavor to get companies to offer internships/recruit students. The selection process specified by the company is followed. The PlaceCom - Placement Committee of students are actively involved in the placement activities – contacting/visiting companies located in metros & major cities for placement presentations and also coordinate various activities during the placement processes.

The Placement Office devises placement guidelines that are in the larger interest of the School and students, in consultation with students and faculty.

Students are expected to maintain decorum and abide by the guidelines during placement processes. In the event of non-conformance to the placement guidelines, the School reserves the right to initiate corrective action.

The Placement process typically involves –

- Batch Preparation
- Pre Placement Talks
- Internships/projects
- Final Placements

7.1 Batch Preparation:

7.1.1 The Comprehensive Batch Preparation Program is to enhance the suitability of candidates.

7.1.1.1 Interactive sessions with alumni/industry experts in various profiles that help students to gain clarity on role/fit, understanding expectations of the company, future prospects - career evolution, right approach for cracking interviews, listen to first-hand experience & get a feel of life in a particular profile etc.

7.1.1.2 Interaction with seniors who have undergone internships in companies.

7.1.1.3 Assigning seniors or alumni as mentors to guide students.

7.1.1.4 Mock interviews with alumni/corporates to get a direct feedback from people in relevant industries.

7.1.1.5 Guest talks and workshops on various topics from corporates.

7.1.1.6 Resume building as per guidelines

7.1.1.7 Soft skills training etc.

7.1.2 Prior to the commencement of the selection process it is expected that students should be having a fair
idea about their interest, sector, and specialisation or at least have some long term vision of where they want to be and should direct their efforts accordingly. A bit of clarity will help students land a good internship/job.

7.1.3 Hence students should do a thorough research about the company, the business, the sector, other players in the sector, the financials, etc. and be prepared with a background and fact file prior to the process. Also some additional information – the number of interns/recruits in the past, whether the company has a PPO policy, the roles offered etc. would be of help.

7.1.4 Seniors who have interned with the company, their experience, what did they learn to understand, whether it fits what they want. If the company is new, seniors who have done their internship in the same sector should be contacted.

7.1.5 The Placement Office also involves companies in a number of Campus Engagement activities – contests, projects, workshops, seminars, and guest talks etc. that would benefit a larger number of students and also help in promoting the excellent quality of the batch.

7.1.6 Based on the guidelines, students will have to prepare their resume that would encapsulate info about academics, work experience, internship, co-curricular activities, extracurricular activities, projects, awards, achievements, hobbies etc.

7.2 **Pre Placement Talk – PPT**

PPT’s are a medium wherein the company officials disseminate information regarding the company, the profile, the compensation etc. and clarify the queries of students. The company officials invest time and effort to disseminate info and the interactive session will make them feel visiting our campus was worth it. Hence students are requested to participate and ask relevant questions.

7.3 **Internships/Projects**

7.3.1 The Placement Office makes all efforts to reach out for internships across varied sectors, companies and profiles. Based on ones interests and capabilities one should seek internships. Choosing the correct company for internships and performing up to the mark is of utmost importance.

7.3.2 The Internships are not only a window to the corporate world but also a relationship building tool for NMIMS. It allows the companies to have a look at the talent at NMIMS, thereby strengthening Final Placements.

7.3.3 Internships are an integral part of the curriculum for securing the degree. It is a great learning platform for our students and goes a long way in shaping the learning obtained in the class room. This experience is of immense use to students to enable them to acclimatize themselves to the intricacies of the corporate world.

7.3.4 The project is expected to build on the theoretical learning with practical experience and help students to identify the gaps in their learning which they can attempt to fill in. They could also discover areas of interest and future career options.

7.3.5 Interactions during the internships both with other interns as well as employees help students to understand the expectations/needs of the organisation, the sector in general, to identify the gaps in their learning and in orienting oneself towards the sector and developing the required skill sets to emerge as the most suitable candidate.

7.3.6 Internships also hold a special significance as it is an apt mechanism for companies to spot bright talent early. Many companies have structured internship process which is used as a ‘testing ground’ to gain a direct understanding of the skill and ability of students leading to declaration of PPO’s/PPI’s. NMIMS too encourages candidates to work towards such offers that are based on internship performance.
7.3.7 Pre Placement Offer (PPO) is an Offer by the company to the intern acknowledging the excellent work done during the internship. Pre Placement Interview (PPI) is an opportunity by the company for the intern to be directly selected for the interview for final placements. Thus, the students should be careful in applying to the companies of their choice and should put in all efforts to convert the internship into an Offer. Thus, the seriousness of this cannot be overstated.

7.3.8 While feedback from the company is sought, the internship is also evaluated by School that could involve faculty guide monitoring the performance; periodic report submissions, evaluations and Viva Voce.

7.4 Final Placements

7.4.1 Leading companies across sectors aspire to recruit students of NMIMS. Each company has its own set of characteristics or qualities that they look for in a candidate. Hence, the company devises the eligibility criteria and selection process accordingly.

7.4.2 The process of selection starts with inviting applications based on the eligibility, profile, project, stipend/compensation details shared by the company. The applications of applicants are then sent to companies. Students are required to check their emails/blackboard regularly for information updates.

7.4.3 Every effort will be made to facilitate the placement process. However it is the effort of the student that gets him/her selected for the job. Not getting selected for internships or during final placements in the first few companies should not lead to panic. Students are advised not to switch profiles in anxiety or haste.

7.4.4 Companies could have one or multiple rounds for selection – case analysis, group discussion, group exercises, interviews etc. Reasons like location, family issues etc. should not be constraints to students. They are expected to be mobile and have the capability to adjust and adapt and respond to emergent situations successfully.

7.4.5 Students who wish to drop out of the placement process are expected to formally notify the Placement Office vide the ‘Opted Out Form’ mentioning the reason, which could be higher studies, entrepreneurship, family business, seeking placements on their own giving with the names of such companies and details. The reason being, to iron out any hitches that may crop up later as the Placement Office approaches many companies and would like to continue the cordial relationship with them.

7.4.6 Each of the Schools will be sharing to the batch guidelines related to PPT, Internships, PPO’s/PPI’s, Final Placements, Resume etc. and it is expected that students follow the same. The School reserves the right to change, modify the guidelines in the best interest of the batch. Students are free to approach the Placement Office for any queries or guidance.

Feedback Mechanism:

8.7 The NMIMS has a well-established online feedback mechanism (through Black Board) for communication of your perceptions. The components of this feedback mechanism are:

8.7.1 Oral Feedback at the end of the seventh week of every Semester. Dean will meet students personally in their divisions.

8.7.2 Online Feedback is taken using a questionnaire in the last session of every course in each trimester/Semester. This feedback is compiled and statistics are placed before each faculty member by the end of the trimester/Semester.

8.8 All students should get involved in this mechanism seriously as it truly helps the NMIMS improve the quality of services and teaching provided.

8.9 These are open ended questions in which student can reflect learning and teaching aspects of the course.

8.10 While sharing the feedback to the faculty members, student’s identity is kept confidential.

9.0 Mentoring Programme / ‘Psychologist and a Counsellor’:

9.1 Students (as applicable school wise) have been assigned faculty mentors whose role is to help assimilate the NMIMS culture, facilitate intelligent choice making regarding selection of courses, help in identification of resources needed by all students. Do meet your faculty mentor regularly as per their convenience and availability.

9.2 Personal Counselling is highly recommended and is very important at every step in life even at the corporate level. There have been situations which we are able to cope with in our life but there could be a situation in our lives when we cannot cope with, which does not allow us to lead a normal routine. Consciously we need to be aware of the negative thoughts, feeling lonely, sleepless nights which could again lead to further anxiety in us; which affects our decision making, logical thinking, studies, work and our physiological health. A counsellor is a non judgemental friend who understands, ensures privacy and confidentiality of the client and counsels you by giving choices so that you make the right decision. Counselling is based on realistic, structured and research based study. NMIMS has a full time ‘Psychologist and a counsellor’ available in Mumbai campus for all the students.

10.0 Guidelines for Admission Cancellation / Payment of fees / Re-admission / Academic Break / Submission of Documents / Admission Deferment

10.1 Admission Cancellation procedure:

For cancellation of admission, the student needs to submit the application for cancellation of his seat along with original fee receipt to the admission department (if cancellation is before commencement of the programme). If the cancellation is after commencement of the programme, the said application to be submitted to the respective Dean for further process.

10.2 Payment of fees for subsequent years:

The promoted students for the subsequent years are required to pay the fees as per the notice issued by admission department. Late fee will be levied if the fee is not paid within the due date.

Non-payment of fees within the stipulated time including the late fee period will attract cancellation of the studentship from that programme.
10.3 Re-admission rules:
A student can seek re-admission in the next academic year, in case he/she fails to fulfill the criteria mentioned under passing standards in SRB. For this purpose, he/she has to pay 25% of the total fee prevalent at that time for that programme.

Student can take re-admission in the said year of the programme only once. He/she can take re-admission in different years as long as total period of the programme does not exceed the validity period of that programme. For example, for MBA the validity period is 4 years and for MBA Tech. it is 7 years, so a student can take re-admission maximum two times but in different progressive years. Admission to the subsequent years is subject to maximum duration permissible for completion of the programme (in years). Such admissions will be at the students’ own risk of non-completion of the programme during the maximum permissible duration (in years).

18.0 **International Student Exchange Program**

18.1 **Introduction**
NMIMS Deemed-to-be-University has developed an extensive International Students Exchange Program in order to provide a cross cultural exposure and a global perspective to the students apart from classroom teaching. The Exchange Program has become increasingly popular with the students and every year students get a chance to spend Semester/Trimesters at a partner Institute. With the dedicated International Linkages department in place, efforts are underway to have larger number of students to avail of this unique opportunity in every school. It is strongly recommended for all students to have international exposure in terms of academics and cultural immersion. However, due to some limitations, the students who do not visit these foreign institutes as part of the exchange program benefit through interaction with the overseas students who visit us.

18.2 **PREAMBLE**
In a world that is increasingly interdependent, it is imperative for the NMIMS Deemed-to-be-University to have an internationalization agenda. This involves creation of a multi ethnic environment in our programs on our campus. This can happen only when students from different countries and communities join NMIMS programs.

This policy on internalization seeks to clarify the philosophy behind the NMIMS Deemed-to-be-University’s Internationalization program and sets out the eligibility of students to apply for an international exchange program. It also sets out the selection criteria and guidelines for assessing applications and the expectations from the students going for the exchange program.

This policy also lays out the facilities for international students in our programs and also the expectations from them. We expect our foreign students to conduct themselves at par with other Indian students.

To aggressively pursue the internalization agenda, NMIMS Schools have signed MOUs with leading Universities and Schools as given below:

**A. The University Level:**
- Charles Darwin University, Australia
- University of Southampton, United Kingdom
- Latrobe University, Australia
- University of Newcastle, Australia
- Friedrich – Alexander University of Erlangen-Nurnberg, Germany
- University of Jyvaskyla, Finland
- University of Chester, United Kingdom
- University of Westminster, United Kingdom
- Ingolstadt University of Applied Sciences, Germany
- CETYS University, Mexico
- The University of Turino, Italy

**B. The School of Commerce (ASMSOC)**
- University of South Florida, USA
- Hogeschool Utrecht, Netherlands
- Rotterdam Business School, Rotterdam, Netherlands

18.5.1 Accommodation and daily living expenses including study materials
18.5.2 Travel Expenses
18.5.3 Passport and visa costs

Those selected after required assessment at their School’s end have to fill another detailed form (See Annexure “Application Form – NMIMS Exchange Students”)
18.6.2 The list of courses that a student intends to take up in the partner institute should be clearly mentioned. For those who wish to apply in more than one institute, the lists of the courses in each of these institutes should be mentioned.
18.6.3 Upon joining the partner institute the courses the students intends to take up should be finalized and communicated to the NMIMS School authorities (Refer Annexure of SRB)
18.6.4 Students need to ensure that they do not get any F grade in the courses undertaken in the partner institute because many partnering institutes do not conduct re-examination.
18.6.5 Other criteria as defined by Deans/Directors of the Schools.

19.0 Safety Guide for Students on Floods, Fire and Earthquakes

Introduction
Mumbai is vulnerable to various natural and manmade disasters such as fire and industrial accidents, floods, chemical (transport and handling), biological, and nuclear hazards, earthquake, cyclones, landslides, bomb blasts, terrorism, riots and tidal surge due to its geographic conditions, industrial growth, increasing population density and squatter settlements have increased Mumbai’s vulnerability to disasters.
The safety measures for a few disasters such as 1) Floods, 2) Earthquakes and 3) Fire in Mumbai are highlighted briefly in this document.

19.1 Floods:
Floods in Mumbai are attributable to simultaneous occurrence of rainfall and high tides. If the rainfall is in excess of 200 mm in a day (24 hrs), floods can occur anytime irrespective of tides. However, if there is moderate rainfall but the tide is in excess of 4.50 meters at the same time, the city of Mumbai is likely to get flooded.

Precautions to be taken in case of Floods\(^1\) are given in the Table 1 below.

<table>
<thead>
<tr>
<th>Before Floods</th>
<th>During Floods</th>
<th>After Floods</th>
</tr>
</thead>
</table>
| • Identify and visit elevated areas in and around the Institute as places of refuge during a flood  
• Be aware of drainage channels, and other low-lying areas known to flood suddenly. Consult and involve local authorities in the institutes  
• Check out for the monsoon alerts for the heavy rains declared by the Municipal Corporation of Greater Mumbai  
• Do not travel long distances on dates indicated as ‘Monsoon Alerts’. Contact the Institute if there is any pre planned activity or examination or any other important work on that day and try to adjust it on some other day  
• Keep locally available equipments such as ropes, battery, radio, plastic bottles and cans handy during rainy season. This can help you to plan your rescue  
• Prepare a food kit including emergency food items such as biscuits, snacks, drinking water and so on | • Evacuate to previously identified elevated areas  
• Don’t try to save valuables. Your life is most precious  
• Disconnect electrical appliances.  
• Turn off utilities at the main switches of valves if instructed to do so  
• Don’t touch electrical equipment if you are wet or standing in water  
• Do not walk through moving water. Six inches of moving water can make you fall  
• If you have to walk in water, walk where the water is not moving  
• Use a stick to check the firmness of the ground in front of you  
• Avoid floodwaters; water may be contaminated by oil, gasoline, or raw sewage  
• Water may also be electrically charged from underground or downed power lines  
• Listen to the radio for advance information and advice. Don’t spread rumors  
• Move vehicles to the highest ground nearby  
• Do not enter floodwaters by foot if you can avoid it  
• Never wander around a flooded area  
• Drink clean water | • Stay away from downed power lines, and report them to Security Officer  
• Leave the Institute / home only when authorities indicate it is safe  
• Stay out of any building if it is surrounded by floodwaters  
• Use extreme caution when entering buildings; there may be hidden damage, particularly in foundations  
• Floors in the building will be slippery due to water and mud. Walk carefully on the slippery floor.  
• Wear appropriate footwear. Do not use slippers during rainy season  
• Watch out for loose flooring, holes and dislodged nails  
• Clean and disinfect everything that got wet  
• Discard any food items which may have got wet  
• Inform about the damaged drainage and sewage systems in and around the building to the authorities as soon as possible. These can be a major health hazard  
• First protect yourself and then help others. |

19.2 Earthquake
Mumbai is in the ‘Moderate Seismic Zone III which can experience quakes up to 6.5 on the Richter scale.

Seismologists say that the major fault lines in Mumbai run along the Thane creek, Panvel creek and the Amba River, all three intersecting at Uran. A fault line also runs from Malabar Hill to Worli passing through Cumballa Hill.

Precautions to be taken in case of earthquakes are displayed in Table 2 below:

ANIL SURENDRA MODI
SCHOOL OF COMMERCE
Message from Dean

Anil Surendra Modi School of Commerce imparts undergraduate & post graduate management education through its BBA, B.Com. (Hons.), B. Sc. (Finance) and BBA – MMS programs. The main objective of the school is to impart domain knowledge, and focus on developing competencies and various soft skills so that students can embark on managerial career paths and assume leading role in the corporate world. The course offers a high employability for the student community. ASMSOC faculty and the students are continually engaged in a relentless endeavor to improve and update the curriculum and pedagogy in keeping with industry expectations from an entry level graduate.

At the school, our program emphasizes not only on the development of analytical skills but also on in-depth and rigorous application of concepts, tools and techniques to a wide range of situations faced by managers. The basic focus is on training the students to become good decision makers with social sensitivity, customer focus and empathy. The curriculum will help students to gain an integrated perspective across functional areas with the capability of assuming higher responsibility and marked degree of flexibility in interpersonal relationships.

The participative learning pedagogy synthesizes a strong conceptual foundation aligned with corporate internship experience in the second year and sharpened by a skill set enhanced through classroom projects and fieldwork. This unique combination of theory and practice makes each ASMSOC graduate ready for the real world challenges and problems on embarking on their maiden voyage on their corporate journey.

The MMS program will begin from 2018. The school will use case based learning method as its chief pedagogical tool to bring to the classroom real world scenarios. This program will help to create high quality middle level managers in functional areas.

Wishing you, all the best, during your tenure at NMIMS Anil Surendra Modi School of Commerce.

Prof. Sangita Kher
I/C Dean

3.2 Passing Criteria

3.2.1 Internal Continuous Assessment
In the internal continuous assessment examinations, a student must secure a minimum of one-third of the total maximum marks allotted to the internal continuous assessment examinations in each subject in order to be declared as successful in every subject of each of the semester.

3.2.2 Semester Examination (Theory Paper)
A student must secure a minimum of one-third of the total maximum marks allotted to every subject in each of the semester theory examinations, in order to be declared as successful in that subject in its theory paper.

3.2.3 Aggregate Passing
To pass, in a particular subject in any of the semester examination or semester re-examination, a student must
- secure a minimum of one-third of the marks allotted to the internal continuous assessment examination in that subject
- secure a minimum of one-third marks in the theory paper of that subject in the semester examination, and
- secure a minimum of 50% of aggregate marks out of the total marks (that is, internal assessment plus theory paper) allotted to the subject/s.

Method of calculation of letter grades and GPA/ CGPA:

For the calculation of grades, the following guidelines are observed:

- Maximum marks assigned by the faculty concerned for a course will be taken into account for the batch/group.
- Difference between the maximum marks and 50 marks would be calculated.
- The said difference will be equally divided into slabs of nine letter grades (i.e. A+, A, and A-, B+, B and B- and C+, C and C-)
- ‘F’ grade will be assigned to students who have obtained marks less than 50
- Grading will be done on the basis of marks obtained by a student in each course which will be fitted into the above slabs of letter grades

In case of elective courses, the number of students for that course would be considered for the purpose of assigning grades for that course.

Calculation of GPA (Grade Point Average):

- Grade Point Average for a term will be computed by dividing the sum of product of grade point of each course / module and credit value assigned, to each respective course by the sum of credits assigned to all courses / modules for the related term.

\[
\text{GPA} = \frac{\sum CG}{\sum C}
\]

Calculation of CGPA (Cumulative Grade Point Average):

- Cumulative Grade Point Average upto and including a term will be computed by dividing the sum of product of grade point of each course / module and credit value assigned to each respective course by the sum of credits assigned to all the courses / module up to and including the related term.

Here:
- \(C\) = Credit value assigned to a course / module
- \(G\) = Grade point value assigned to a student for course / module corresponding to the letter grade (refer table 3.2.4)
- \(GPA\) = Grade Point Average shall be calculated for individual term
- \(CGPA\) = Cumulative Grade Point Average shall be calculated up to and including each term till date

Important: Formats of all kind of applications forms related to examination can be directly downloaded from the link mentioned below. However, few important forms have been annexed to this book, in addition.

http://www.nmims.edu/exmaination

3.3 Non – fulfillment of Passing Criteria

3.3.1 If a student gets less than the prescribed one-third marks allotted in the internal continuous assessment in a particular subject, a student shall be debarred from appearing at the semester-end examination in the said subject. However, the students will be given a chance to improve their performance to secure the necessary prescribed minimum marks in the internal continuous assessment by way of re-doing the required projects and assignments as decided by the respective subject-teachers, before conclusion of that specific semester and before the commencement of term-end examination of that particular semester. The modalities of the internal continuous assessment shall be decided by the subject teacher and the Dean of the School of Commerce. It is the sole responsibility of the student to comply with the above requirement before the end of every semester. If he/ she fail to do so, he/ she shall be declared failed in that subject. In such cases, he/she will have to take re-admission in the next academic year.
3.3.2 In case a student obtains at least one-third of the total marks in a subject in the internal continuous assessment examinations, but fails in the semester examination in the theory paper of that subject, then his/her marks in the internal continuous assessment examinations will be carried forward and shall be added to the marks obtained at the re-examination/s in that subject. The student must obtain a minimum of 50% of the aggregate total marks allotted to the particular subject.

3.3.3 In case a student secures the minimum one-third of the total marks in the internal continuous assessment examinations in that subject, and also secures the minimum one-third or the total maximum marks in the semester theory examination in the subject, but fails to secure aggregate 50% marks out the total marks (internal continuous assessment plus semester examination) allotted to that subject, he/she is then required to appear for re-examination/s in theory paper in those subjects in which he/she has failed to secure 50% aggregate marks. Again, in such a case his/her marks in the internal continuous assessment examinations in the subject will be carried forward as mentioned above.

3.3.4 If a student has failed under any head in any subject (i.e. 'Internal Continuous Assessment' or 'Semester Examination' or 'Aggregate'), he/she shall be deemed to have failed in that subject.

3.4 General rules

3.4.1 A student who remains absent from semester examination/s due to any reason in any subject shall be awarded ‘F’ grade in the subject/s in which he/she has remained absent. All such students will be allowed to appear at re-examination in the said subject to be conducted at the end of the year but before the beginning of the next academic year. Such student will be awarded 'Normal Grade' grade/s in that re-examination as mentioned above.

3.4.2 In order to receive the degree, the student will have to pass in all the examinations of all the years.

3.4.3 Grievance Redressal: In case a student is not satisfied with the result/grade received by him in a particular subject, he/she may follow the 'Grievance Redressal Procedure' in case he/she desires.

3.4.4 The fees for re-examinations and re-admission will be decided by the University from time to time.

3.4.5 In case of any disputes/differences, decision of the University shall be final and binding on the students. If a student desires to institute any legal proceedings against the University, such legal proceedings shall be instituted only in court at Mumbai in whose jurisdiction the application is submitted by the student and not in any other court.

3.4.6 Modification in criteria/rules: On the recommendation of the Board of Studies of the School of Commerce and the Board of Examinations, the Academic Council shall have the sole discretionary right to modify all or any of the above criteria at any time without prior notice.
Placement Guidelines for Students of courses where placement is offered:
The Placement Office coordinates and facilitates the placement activities for the B.Sc. (Finance), B.Com (Hons.) and BBA programme under the supervision of the Placement Executive.

4.1 Placement is provided to students of Third Year who register for Placement. Placement should not be considered as a backup arrangement as against any competitive exams/admissions abroad. Any student registering for placement is expected to be clear in his intention of applying for placement and further applying to the Companies that participate in the Placement process and also accept an offer made to him/her by the Company. Any misconduct would result in immediate expulsion of the said student from the Placement Process and/or any action as decided by the Competitive Authority. Students who register for Placements will have to sign an undertaking along with their parents, quoting that they are seriously interested in Placements.

Pre – Placement Talk (PPT) and Placement Process: It is compulsory for every student to be present for the PPT of the company to which they are applying before the company arrives and keep their mobile phones, laptops & all other gadgets switched off. Students are expected to be in time for the PPT. Late comers will not be allowed to attend the PPT nor apply to that Company. Students are expected to read & come prepared with a background & fact file on the Company holding the PPT.

Resumes: Students should prepare their resumes in the prescribed University format and submit this to the Placement Office. Information on the resume should be accurate and honest viz the complete name of the program, CGPA – as it appears in the transcript, academic and corporate projects as approved by the University, contribution made as a part of various committees and cells, etc. Placement Office reserves the right to regulate this activity. Any discrepancy will lead to immediate expulsion of the candidate from the Placement Process. Students are expected to maintain decorum & abide by the University rules during the Placement Process.

4.2 Placement Guidelines
NMIMS’s ASM-SOC follows a ‘1 student 1 offer’ policy. Each student is entitled to only one offer. Students placed would be withdrawn from subsequent processes.
Companies generally share details of the job profile beforehand. However in some cases the company may give a general idea about the opportunity. Students should be aware of the same before applying.
Companies would be encouraged to give spot offers. Once a student is offered a job, he/she would be out of the placement process and will not be eligible to take up any subsequent job offers.
Offers made by the companies during the placement process cannot be rejected. Thus, students are expected to make informed decisions about applying to companies.
In rare cases, if a student gets multiple job offers simultaneously (on one day), he / she will have to choose one offer and reject others on the spot.
Students should participate in the entire process for which they have been shortlisted. In case a student fails to attend any selection process, he / she must submit an application regarding the same. If the reason is found valid and approved by the competent authority, the student will be given further chance to appear for other processes.
The selection process will generally be held in the campus. However in some cases the student may have to go to the company’s office for the same. Students will not be able to back out on this account.
Absence: Attendance for the PPT is compulsory and absence will lead to disqualification of the student from applying to that company and in case of repeated violations, from the subsequent placement process.
It is mandatory for a student to apply for a profile, which he / she has opted for. e.g. Finance/Marketing. If a student fails to apply for 3 Companies consecutively for the profile that he / she has opted (not considering open profiles), it will be presumed that he/she is not interested in placement and will be barred from Placements.
Students should follow the Placement Guidelines framed by the University from time to time.
Student applying through the Placement Committee for participation in a company selection process MUST complete the entire selection process.
Students withdrawing from a placement process where their resumes have been dispatched to the company will be debarred from any further participation in the placement process of any other recruiter.
It should be understood that once a student registers for placement, his/her resume will be sent to the
company for the profile that he/she has opted for. In the event a student does not attend the process as fixed by the company, he/she will be debarred from further participation in the placement process of any other recruiter.

Canvassing in any form will disqualify the students.

ASM-SOC reserves its right to take any disciplinary action, if students do not honour their commitments or resort to unethical behaviour. The management has the right to communicate with the employer/s if students do not adhere to the code of conduct.

Placement information is confidential and any breach of confidentiality will lead to strict action.

The above guidelines are applicable to all Third Year B.Com (Hons.) and BBA students who register for placements. Any student found violating these guidelines would be expelled from the placement process.

The ASM-SOC reserves the right to withhold the final offer letter to the student, if it finds that the student has had misbehaved, not kept up with course work or any other act of indiscipline.

Relationship with companies is very important and significant to ASM-SOC. Therefore students must cooperate to maintain cordial relationship with all companies at all times.

SVKM’s NMIMS ASM - SOC reserves the right to change, modify the guidelines in the best interest of students.

All students who wish to register for Placement are required to get an Undertaking duly signed by their parents.
