MESSAGE FROM THE DEAN

SVKM's NMIMS University's, Anil Surendra Modi School of Commerce (ASMSOC) was established in 2007 with the objective to impart quality management education of high standard. The School currently offers undergraduate programs - BBA, B.Com. (Hons.), B.Sc. Finance and a master level program - M.Sc. Finance.

ASMSOC Placement Cell has served as an outstanding platform for students to gain specific skills related to the specialized domain knowledge acquired during their excellent college years and at the same time has proved to be a smarter recruitment solution for the industry.

Even though the year 2020-21 has been a challenging year for all stakeholders, however, the Placement Season of ASMSOC witnessed increased interest from the industry to hire young and fresh minds as compared to previous years.

The School is very appreciative of the enormous faith, confidence and support reposed in us by the industry, which enabled our students to gain quality placement with some of the leading organizations in the country.

Looking forward, ASMSOC wishes to develop a long-standing and continuous relationship with our dependable and first-time recruiters. In addition, we would like to invite other companies to allow our students to prove their mettle and be an asset to your organization.
