We believe in sustaining the quality of education through our assurance of learning process and by offering a world-class learning experience. NMIMS strives toward excellence in all its endeavors. NMIMS students and faculty have earned national and global recognition. Our research and industry partnership is comparable to the best in the world.

The four pillars of NMIMS building blocks are: (a) knowledge creation that is relevant and applied, helping Society to know the unknowns, demonstrating the leadership and meeting expectations in knowledge creation, and (b) enhancing teaching and learning through "Assurance of Learning" System, (c) making NMIMS known/recognized for its academic excellence and the most preferred institution of learning, and (d) aligning stakeholders and meeting their aspirations. NMIMS aims to work towards these building blocks through a culture of dialogue, collaboration, and mutual trust.

The University's innovativeness is borne by many programs visualized in a value-driven manner. NMIMS has always believed in remaining relevant and, at the same time, engaging in knowledge generation and dissemination. NMIMS faculty today is an eclectic mix of young and young at hearts, having academic and industry experience and those with national and foreign qualifications. With this mix of faculty, you will have the opportunity to learn from NMIMS's ethos to develop socially sensitive professionals and live in harmony with the environment.

NMIMS has a facilitative administrative and academic system. The Dean or Director of the Schools or Campus is the voice of NMIMS. There are appropriate channels and structures to respond to student grievances.

The student resource book guides you on university rules and regulations and will help you navigate your journey here at the NMIMS. During your stay at NMIMS, we would like to ensure clarity and transparency in our communication. The Student Resource Book (SRB) has been divided into three parts. Part I comprises University information and rules and regulations that you would need to know. Part II has school-specific details for your effective and smooth interaction with the school, and Part III has annexures. Also listed are facilities provided by the institution.

Please do spend some time and go through this information carefully so that you do not miss out on any opportunity that NMIMS may have to offer you. The SRB contains a Student Undertaking page at the end of the document, which you are required to sign and submit to your course coordinator by the suggested date.

We would also like your support to maintain and enhance the University's image and uphold its values. We value your feedback.

Dr. Ramesh Bhat
Vice Chancellor

15. Mentoring Programme / ‘Psychologist and a Counsellor’:

15.1 Mentoring Programme:

Students (as applicable school wise) have been assigned faculty mentors whose role is to help assimilate the NMIMS culture, facilitate intelligent choice making regarding selection of courses, and help identify resources needed by all students. Do meet your faculty mentor regularly as per their convenience and availability.

15.2 Psychologist and a Counsellor:

A counsellor is a non-judgmental friend who understands, ensures privacy and confidentiality and counsels you by giving choices so that you make the right decision. Counselling is a realistic, structured, and research-based therapy. Managing emotions is vital to ensure all-rounded progress in life. We need to break the old walls of myths and misconceptions to learn something new. Visiting a counsellor helps us to relearn more helpful, progressive, reality-based thinking.

Personal counselling is essential at every step in life, even at the corporate level. What we think about situations affects our subconscious mind and interferes with our present-day life.

As normal human beings at any given time in life, we could go through challenging times and have no one to share or guide us. We often do not share our issues with family or friends due to the fear of upsetting them. We worry that perhaps they may not understand or could become judgmental. At such times, we recommend Personal Counselling.

- i. “I cannot concentrate or focus nor can I sleep, at times, I get so scared that I go blank in my exams!”
- ii. “Since the time he left me, I cannot put my attention to anything I will not be able to live anymore.....can’t bear it if she is not in my life!”
- iii. “I have lost my confidence I feel worthless /hopeless; no one loves me. I don’t want to live anymore”
- iv. “I feel nobody understands what I am going through...” (People become judgemental instead of understanding and supporting)
- v. “I do not know whom to share my feelings with? Where do I seek help? Who will be able to help me?”

Have you had any of these repetitive thoughts or faced a rejection that you cannot cope with?

Have you reacted very angrily first and then later realised that reacting to the event was not needed and in the process, you harmed the relations you had with your friends and family? Do you not know what went wrong then? Do you not understand what triggered you?

Just as we would treat a sprain with some ointment, we try to heal our emotional pain independently. When the sprain is not healing, we visit the doctor, and similarly, one sees the counsellor sometimes when we are unable to clear our emotional challenges. The counsellor needs to check how deep your wound is, and usually, you are helped by putting a first aid protection (counseling) through therapeutic counseling. Sometimes the injury may have been too deep /chronic, or your trauma could also need psychiatric intervention and give appropriate help.

We may be unaware of our behaviour’s implications on others, but it eventually could affect our relations in daily life at home, in class, or at work. When the past emotional situations are not dealt with therapeutically, we could develop unhealthy negative thoughts and feelings that we need to be aware of. They could again lead to complications and affect our performance, decision making, logical thinking, studies, relationships and career. This continued stress can gradually affect our body and physiological health causing hypertension, respiratory ailments, gastrointestinal disturbances, migraine and tension headaches, pelvic pain, impotence, frigidity, dermatitis and ulcers.

The biggest myth is that being emotional is to be weak, so often, we push all our emotional issues under the blanket and then take up unhealthy habits like smoking, drinking, and substance abuse to avoid sleepless nights. We hope to feel better, which lasts only for short term. On the other hand, creating long term damage may lead to unhealthy dependency.

NMIMS wants to ensure holistic development of the students. Therefore have appointed a team of psychologists and a counsellor.

21. Safety Guide for Students on Floods, Fire and Earthquakes

NMIMS gives utmost importance to safety of its students. It prepares students for natural hazards.

The safety measures for some natural disasters such as 1) Floods, 2) Earthquakes and 3) Fire are highlighted briefly.

21.1 Floods: Precautions to be taken in case of Floods are given in Table 1 below.

Before Floods	During Floods	After Floods
<ul style="list-style-type: none"> Identify and visit elevated areas in and around the Institute as places of refuge during a flood Be aware of drainage channels, and other low-lying areas known to flood suddenly. Consult and involve local authorities in the institutes Check out for the monsoon alerts for the heavy rains declared by the Municipal Corporation Do not travel long distances on dates indicated as 'Monsoon Alerts'. Contact the Institute if there is any pre planned activity or examination or any other important work on that day and try to adjust it on some other day Keep locally available equipment such as ropes, battery, radio, plastic bottles and cans handy during rainy season. This can help you to plan your rescue Prepare a food kit including emergency food items such as biscuits, snacks, drinking water and so on 	<ul style="list-style-type: none"> Evacuate to previously identified elevated areas Your life is most precious Avoid to save valuables at that moment. Disconnect electrical appliances. Turn off utilities at the main switches of valves if instructed to do so Don't touch electrical equipment if you are wet or standing in water Do not walk through moving water. Six inches of moving water can make you fall If you have to walk in water, walk where the water is not moving Use a stick to check the firmness of the ground in front of you Avoid floodwaters; water may be contaminated by oil, gasoline, or raw sewage Water may also be electrically charged from underground or downed power lines Listen to the radio for advance information and advice. Don't spread rumors Move vehicles to the highest ground nearby Do not enter floodwaters by foot if you can avoid it Never wander around a flooded area Drink clean water 	<ul style="list-style-type: none"> Stay away from downed power lines, and report them to Security Officer Leave the Institute / home only when authorities indicate it is safe Stay out of any building if it is surrounded by floodwaters Use extreme caution when entering buildings; there may be hidden damage, particularly in foundations Floors in the building will be slippery due to water and mud. Walk carefully on the slippery floor. Wear appropriate footwear. Do not use slippers during rainy season Watch out for loose flooring, holes and dislodged nails Clean and disinfect everything that got wet Discard any food items which may have got wet Inform about the damaged drainage and sewage systems in and around the building to the authorities as soon as possible. These can be a major health hazard First protect yourself and then help others.

21.2 Earthquake: Precautions to be taken in case of earthquakes are displayed in Table 2 below:

Before Earthquake	During Earthquake	After Earthquake
<ul style="list-style-type: none"> In hostel or at home keep heavy objects on lower shelves so they will not fall on you during an earthquake. Make sure your water heater and gas cylinder is secured and intact. This will ensure that it will not fall during an earthquake and hurt someone or start a fire. Keep a torch and a mobile handy. Keep the corridors in the hostel/house clear of furniture and other things, making movement easier. 	<p>If you are at home or inside a building</p> <ul style="list-style-type: none"> Do not rush to the doors or exits; never use the lifts; keep well away from windows, mirrors, chimneys and furniture. Protect yourself by staying under the lintel of an inner door, in the corner of a room, under a table or even under a bed. <p>If you are in the street</p> <ul style="list-style-type: none"> Walk towards an open place in a calm and composed manner. Do not run and do not wander round the streets. Keep away from buildings, especially old, tall or detached buildings, electricity wires, slopes and walls, which are liable to collapse. 	<p>If you are at home or inside a building</p> <ul style="list-style-type: none"> Expect aftershocks. Be prepared. Stay where you are and do not come out immediately. Keep calm obey any instructions you hear after you come out Turn off the water, gas and electricity Do not smoke and do not light matches or use a cigarette lighter. Do not turn on switches. There may be gas leaks or short-circuits. If there is a fire, try to put it out. If you cannot, call the fire brigade. Immediately clean up any inflammable products that may have spilled (alcohol, paint etc.). Avoid places where there are loose electric wires and do not touch any metal object in contact with them. Do not drink water from open containers without having examined it and filtered it through a sieve, a filter or an ordinary clean cloth. Eat something. You will feel better and more capable of helping others. If the building is badly damaged, you will have to leave it. Collect water containers, food, and ordinary and

<ul style="list-style-type: none"> • Identify the fire hazards and where fires might start, e.g. laboratories, storeroom, kitchen and other such places. • Identify all the exit routes of the Institute. • Check the adequacy of firefighting apparatus and its maintenance. 	<ul style="list-style-type: none"> • Do not panic. Shout loudly for help. • Do not run. • Do not waste time in collecting valuables. • Inform the fire brigade about the fire and alert neighbors. • If possible, use fire extinguisher. • Do not take shelter in toilet. • Shut all the doors behind you while leaving the room to prevent fire from spreading everywhere. • Do not use the lift to escape. • Use nearest means of escape and the staircase available. • Make exit to ground level instead of the terrace. • Report about your safe escape and any other information to the University authorities, fire brigade or police present at the site. <p><i>If trapped or stranded:</i></p> <ul style="list-style-type: none"> • Stay close to the floor level. • Cover the gaps of the door by any piece of cloth available. • Do not jump out of the building. • Signal or shout for help. • Stop, drop and roll on the ground and cover with blanket; pour water on the body • Dial 101 or 22620 5301 for fire brigade • Give the fire officer detailed address, nature of the incident and the telephone number from which you are calling. Preferably, use landline. Keep down the receiver and wait at the same spot. Control Room will call back to verify the call. • Wait for the Fire Brigade to arrive and co-operate with the firefighters. 	<ul style="list-style-type: none"> • Don't re-enter or permit anyone to enter the building, unless the fire officials have given permission to enter.

Message from Dean

SVKM's NMIMS Anil Surendra Modi School of Commerce (ASMSOC) imparts undergraduate & post-graduate management education through its BBA, B.Com. (Hons.), B.Sc. Finance, M.Sc. Finance programs. The main objective of the school is to impart domain knowledge and focus on developing competencies so that students can embark on managerial career paths and assume a leading role in the corporate world. The courses offer high employability for the student community. We at ASMSOC are engaged constantly in updating our curriculum as per the needs of the industry and changing global economic scenarios Innovative pedagogy helps the students to meet the industry expectations from an entry-level graduate.

At ASM SOC, we bring a unique combination of theory and practice, our program emphasizes not only on the development of analytical skills but also on in-depth application of concepts, tools, and techniques to a wide range of situations faced by managers. The curriculum will help students to gain an integrated perspective across functional areas.

The curricular, co-curricular and extra-curricular activities imparted at school, make them better leaders who have good communication skills, interpersonal skills, and the ability to assume responsibility. The live projects, experiential learning and corporate interface for various activities make them ready for real-world challenges. The corporate internship at the end of the second year and an internship with an NGO at the end of the first year will make students better decision-makers with social sensitivity.

We are happy to inform you that "India Today Special Issue on Best Colleges" in India has ranked our BBA program as the second best in India and ASMSOC as the best-emerging college of the century.

NMIMS University has initiated the UG program across various campuses, now we have presence in Bengaluru, New Mumbai, Indore, Dhule, Hyderabad and Chandigarh.

The M.Sc. Finance program commenced in 2017. The case based learning method as its chief pedagogical tool to bring to the classroom real world scenarios. This program will help to create high quality middle level managers in functional areas.

Wishing you, all the best, during your tenure at SVKM's NMIMS Anil Surendra Modi School of Commerce and School of Commerce at your respective campuses.

2. Placement Guidelines for Students, for courses offering placement:

The Placement process typically involves –

- 2.1 Batch Preparation
- 2.2 Pre Placement Talks
- 2.3 Internships/Projects
- 2.4 Recruitment Route:
 - (a) PPO/PPI
 - (b) Final Placements

2.1 Batch Preparation:

- The Comprehensive Batch Preparation Program is to enhance the suitability of candidates.
- Prior to the commencement of the selection process, it is expected that students should have a fair idea about their interest, sector and specialization; and/or at least have some long-term vision of where they want to be in future and should direct their efforts accordingly. Placement should not be considered as a **backup option/arrangement** as against any competitive exams or admissions to other institutes/universities in India or abroad. A bit of clarity will help students to focus their efforts and secure a good job / internship to begin their career path.
- Interactive sessions with alumni/industry experts in various profiles that help students to gain clarity on role/fit, understanding expectations of the company, future prospects - career evolution, right approach for cracking interviews, listen to first-hand experience and get a feel of life in a particular profile.
- Interaction with seniors who have undergone internships in companies.
- Assigning seniors or alumni as mentors to guide students.
- Mock interviews with alumni/corporates to get a direct feedback from people in relevant industries.
- Guest talks and workshops on various topics from corporates.
- Resume building as per Anil Surendra Modi School of Commerce (ASMSOC) placement guidelines. Students should prepare their resumes in the prescribed University/College format and submit this to the Placement Office in stipulated time as instructed.
- Information on the resume should be correct, accurate and honest viz., the complete name of the program, CGPA – as it appears in the transcript, academic and corporate projects as approved by the University, contribution made as a part of various committees, clubs, cells etc. To note, Placement Office reserves the right to regulate such activities. Any discrepancy in the information shared/provided will lead to immediate expulsion of the candidate from future Placement Process.
- Soft skills training provided by the college.
- Further as part of the placement process, students are expected and must do a thorough research about the company, the business, the sector, other players in the sector, the financials, etc., and be prepared with a background and fact file prior to the interview process. Also some additional information – the number of interns/recruits in the past, whether the company has a PPO policy, the roles offered, the experience of seniors who interned with the company etc. will be useful information.
- The Placement Office also involves companies in a number of Campus Engagement activities – contests, projects, workshops, seminars, and guest talks etc., that would benefit a larger number of students and help in promoting the excellent quality of the batch.

ELIGIBILITY CONDITIONS

- Assistance for Placements (internship and final placement) would be given to only those students that register with College Placement Assistance Office (PAO). For final placements, students need to register with the Placement Assistance Office (PAO) at the beginning of the academic year (July/August or as instructed by PAO each year).
- Final year students are eligible to participate in the placement activities if the student meets the requirements/eligibility criteria specified by the Company as well as Placement Assistance Office (PAO).
- Students who are interested in placements must participate in all technical and soft skill preparatory classes/sessions.
- Placement Assistance Office (PAO) does not allow the students to go for off- campus drives of the companies which are supposed to come through the Placement Assistance Office.
- Placement Assistance Office (PAO) does not allow the students to pay any amount to any agency/mediator for placements.
- Summer Internship is a prerequisite for Final Placement to qualify to register for Placements in Final Year.

2.2 Pre Placement Talk(PPT)

PPT's are a medium wherein the company officials disseminate information regarding the company, the profile, the compensation etc. and clarify the queries of students. However, not all companies conduct PPT and it is expected that students should read the job description provided and research about the company overall. However, it is observed that many leading companies conduct PPT and are therefore useful platform to gather additional information about prospective company. Students applying for Placement Opportunities are encourage to sincerely attending the PPT whenever it is scheduled. In addition, as the company officials invest time and effort to disseminate information, making such sessions interactive and seeking clarity will make the company representatives feel visiting the campus a worthwhile investment. Hence, students are encouraged to participate and ask relevant questions during such sessions. From Placement perspective, it is mandatory to all students who have registered for placements and apply to such opportunities to attend PPT sessions.

General Guidelines:

- As part of Placement Process, prospective companies are informed in detail of the various programs. The final decision rests with the company regarding the eligibility of program(s) for the profiles they have offered. Subsequently there would be no further negotiations related to program selected and all such decisions will be respected. Accordingly, the resumes of the students will be forwarded to prospective companies.
- The company will specify the process of selection/assessment for example, aptitude test, group discussion (GD), personal interview (PI), Case study etc.
- The selection process will be held in the college campus/online/premises of the company. However, in some cases, the student may have to go to the company's office for the same. A student will not be allowed to back out on any account if they do not agree to certain way of conducting the assessment.
- There may be situations where on spot decisions will have to be taken, the same shall be taken by the PAO under the guidance and instructions of the Placement Officer.
- In case of any disruptions caused in the placement process, the Placement Office reserves right to take disciplinary action (including debarring from placements) against the student(s).
- Students are not allowed to switch internships, whether taken via college or after opting out. Once an internship has been communicated to the college, it is the final internship.
- The students are expected to provide commitment to the organization in question and work as per the guidance provided by the company guide.
- If any student fails to attend any selection process, must submit an application regarding the same. If the reason found valid, supported with genuine documentary proofs and if approved by the competent authority the student will be given further chance to appear for other company processes.

The process of selection starts with inviting applications based on the eligibility, profile, project, stipend/compensation details shared by the company. The resumes applications of interested applicants are then shared with the companies. Once applied, shortlisted students are required to complete the entire recruitment process. Students are advised to check their emails/Placement Portal, etc. regularly for information updates and follow the procedure accordingly.

In all placement opportunities key features/elements related to job role is shared, students apply voluntarily after going through the initial information shared as placement opportunity alert. Once applied, students will be allowed/permitted to back out/withdraw from 2 PPT. A third absence will result in debarment of the placement process automatically.

2.3 Internships/Projects

UG Program

Program	Remarks
FYBBA FY B.Sc. Finance FY B.Com. (Hons.)	Relevant Summer Internships for three weeks with an NGO after completion of Semester II is mandatory for creating social sensitivity among students.
SYBBA SY B.Sc. Finance SY B.Com. (Hons.)	Relevant Summer Internships during summer vacation is mandatory for all students with a minimum of 240 hours (6-8 weeks with 1 company).

Master Program

Program	Remarks
M.Sc. Finance - I	Relevant Summer Internships during summer vacation is mandatory for all students with a minimum of 8 weeks with 1 company.

2.4 Recruitment Route:

- a) **PPO/PPI:** Pre Placement Offer (PPO) is an Offer given by the company to the intern acknowledging the excellent work done during the internship. Pre Placement Interview (PPI) is an opportunity given by the company to the intern to be directly selected for the interview for final placements. Thus, the students should be careful in applying to the companies of their choice and should put in all efforts to convert the internship into an Offer. Thus, the seriousness of this cannot be overstated.

General Guidelines/policy related to PPO/PPI:

- As a placement policy, NMIMS encourages students to work towards PPOs / PPIs.
- Pre Placement Offers (PPO's)/ Pre Placement Interviews (PPI's) made by the companies are routed through the Placement Office.
- Students getting PPO/PPI offer directly from companies are required to convey the same to the Placement Cell via a formal letter or a mail to ASMSOC.placements@nmims.edu Students found to be deliberately withholding such PPO/PPI offer, will be subject to disciplinary action.
- The student has to decide on acceptance within the time frame stipulated by the company. A formal letter of acceptance should be given to the Placement Office.
- If the candidate accepts the offer made, he/she has to sign out of the placements.
- The acceptance of the offer has to be communicated in writing to the Placement Cell. In case a student fails to inform the Placement Assistance Office before the stipulated date, he/she would be considered to have accepted the PPO and this will be final and binding upon the student.
- For a Pre Placement Interview (PPI), the student must appear for the same. Student refusing a PPI will not be allowed to appear for any further placement process. In case of a conversion to a PPO, the PPO policy would be applicable.
- PPOs / PPIs, which are officially communicated to the Placement Cell by the company, will be considered for the records. Only those students would be eligible to mention the same on their resumes. No other student can mention PPO/PPI of his or her own choice.
- PAO will try to ensure that all companies desiring to make a PPO offer do so at the earliest. However, any PPO offer after the student is already placed, Placement Cell will lead to automatic decline of the PPO.
- In case of declining of PPO, the student will not be allowed to participate in final placements with certain conditions as given below, but at no point of time will be allowed to go back to the PPO:
- Offers made by the companies during the placement process cannot be rejected. Thus, students are expected to make informed decisions about applying to companies.
- In case the student wants to reject the PPO one should convey so within the time frame stipulated by the Placement Office or by the company. A formal letter justifying the reason should be submitted to the Placement Office for approval by the competent authority He/she will not be allowed to apply/participate in selection processes of the company whose PPO he/she has rejected.
- Students should be cautious if they intend to decline PPO's citing the reason of unsatisfactory CTC. In such cases the student then cannot appear for companies offering CTC that is less than or equal to the PPO CTC during Final Placements. (Cost to Company includes fixed, max variable, allowances, and incentives could vary as per the profile, work ex, etc. of the applicant. For certain companies, compensations offered can be benchmarked on the basis of past hiring's from NMIMS ASMSOC).
- Rejection on basis of sector/location/ brand value of the company/work culture/profile mismatch is not applicable & will not be considered as valid reasons for rejection, as it is expected that students have consciously applied for internships to companies based on their interest and their skill sets.
- Conveying to the company in individual capacity during mid-reviews, final presentation or any other kind of interaction, disinterest in accepting PPI/PPO during the internship is not permitted. We value our relationship with companies and such cases will be dealt with strictly. This will be considered as PPO/PPI rejection and the above rules in this regard will be applicable.

While feedback from the company is sought, the internship is also evaluated by School that could involve faculty guide mentoring the performance; periodic report submissions, evaluations, Viva Voce, etc. The final decision regarding PPO/PPI shall rest with the Placement Officer.

- b) **Final Placements:** Companies coming in directly to offer job opportunities. Although the Final Placement process continues round the year however, companies visit campus in two phases – September 2022 to December 2022 and January 2023 to May 2023.

The ASMSOC Placement Assistance Office, Mumbai facilitates the process of final placements by creating an interface between the recruiters and the students. Student must honor the commitment made by ASMSOC on their

behalf. In the event of non-conformance to the placement rules and procedures, ASMSOC reserves the right to initiate disciplinary action.

Efforts to market all programs with their merits are made by the Placement Assistance Office with the endeavor to get companies to recruit from multiple programs. However, the final call rests with the company regarding programs and this decision is honored by ASMSOC. The selection process specified by the company will be followed.

General Guidelines/policy related to Final Placement:

- NMIMS's ASMSOC follows '**1 student 1 offer**' policy. Each student is entitled to only one offer from campus.
- Leading companies across sectors aspire to recruit students of NMIMS. Each company has its own set of characteristics, requirements or qualities that they look for in a candidate. Hence, the company devises the eligibility criteria and selection process accordingly.
- The process of selection starts with inviting applications based on the eligibility, profile, project, stipend/compensation details shared by the company. The resumes applications of interested applicants are then sent to companies. Shortlisted students are required to complete the entire recruitment process. Students are advised to check their emails/Placement Portal, etc. regularly for information updates and follow the procedure accordingly. Once applied, students will be allowed to back out/withdraw from 2 PPT subsequent to showing interest and attending company presentation. A third absence will result in debarment of the placement process automatically.
- Companies would be encouraged to give spot offers. Once a student has been offered a job, he/she would be outside placement process and will not be able to take up any subsequent offers.
- The selection process will generally be held in the campus, however in some cases the student may have to go to the company's office for the same. Students will not be able to back out of the process on this account.
- Every effort will be made to facilitate the placement process. However it is the effort of the student that gets him/her selected for the job. Not getting selected for internships or during final placements in the first few companies should not lead to panic. Students are advised not to switch profiles in anxiety or haste.
- Companies could have one or multiple rounds for selection – case analysis, group discussion, group exercises, interviews etc. Reasons like location, family issues, work timings etc. should not be constraints to students. They are expected to be mobile and have the capability to adjust, adapt and respond to emergent situations successfully.
- Students who wish to drop out of the placement process are expected to formally notify the Placement Office vide the 'Opt Out Form' mentioning the reason, which could be higher studies, entrepreneurship, family business, seeking placements on their own by providing the names of such companies and details. The reason being, to iron out any hitches that may crop up later as the Placement Office approaches many companies and would like to continue the cordial relationship with them.
- Once a student is selected, he is required to ACCEPT the offer after entering the formal selection process and required to take up the offer.
- In case a student fails to attend any selection process, he/she must submit an application regarding the same. If the reason is approved by the competent authority, the student will be given further chance to appear for other processes.
- In rare cases, if a student gets multiple job offers simultaneously (on one day), he or she will have to choose one offer and reject others on the spot.
- Placement information is confidential and any breach of confidentiality will lead to strict action.

CHOICE OF OPTING OUT

- A candidate can withdraw from the final placement process if he is keen to seek placement on his own. The student needs to submit the Opt Out Form duly completed with the names of such companies and other details where he is trying for placement. The reason being to iron out hitches that could crop up later. The Placement Cell approaches many companies and would like to continue the cordial relationship with them.
- Thus if one wants to opt out, he should do so before the entire process begins. However, if one has already applied to companies and awaiting further course of action, then the student will have to participate in the selection process if shortlisted and accept the offer if selected. After opting out, the student will not be allowed to reenter the final process at a later stage.
- Students who have opted out, have to follow the guidelines of PPT – Attendance Guidelines and are also in no way exempted from any of the submissions required for effective evaluation including reports, reviews etc.
- There are companies that have a structured internship in place and share the details beforehand while many give a general idea about the project. Students should be aware of the same before applying.
- Reasons like stipend, location, specific details about the project, family issues, etc should not be constraints

to students. Students are expected to be mobile, and have the capability to adjust and respond to emergent situations successfully.

- In case the student does not join the company he was selected for, or deliberately creates problems there, he will be liable for disciplinary action including debarment from Final Placements.

ABSENCE

- Attendance for the PPT is compulsory and absence will lead to disqualification of the student from applying to that company and in case of repeated violations, from the subsequent placement process.
- It is mandatory for a student to apply for a profile, based on the interest accumulated at the time of registrations. Example: Finance or Marketing. If a student fails to apply for 3 companies consecutively (not considering open profiles), it will be presumed that the student is not interested in placements and will be automatically debarred from the Placements Process.
- Student applying through the PAO for participation in a company selection process MUST complete the entire selection process.
- Students withdrawing from a placement process where the resumes have been dispatched to the company will be debarred from any further participation in the placement process of any other recruiter.
- In the event that a student does not attend the process as fixed by the company, he/she will be debarred from further participation in the placement process of any other recruiter. Canvassing in any form will disqualify the students. Students are also not allowed to contact the company directly demanding for a reply on their profile.
- ASMSOC reserves its right to take any disciplinary action, if students do not honor their commitments or resort to unethical behavior. The PAO has the right to communicate with the employer/s if students do not adhere to the code of conduct.

Each of the Schools will be sharing to the batch, guidelines related to Resume, PPT, Internships, PPO's/PPI's, Final Placements, etc. and it is expected that students follow the same. The School reserves the right to change, modify the guidelines in the best interest of the batch. Students are free to approach the Placement Office for any queries or guidance.

3. Guidelines for International Student Exchange Program

NMIMS Deemed-to-be-University has developed an extensive International Students Exchange Program in order to provide a cross-cultural exposure and a global perspective to the students apart from classroom teaching. This is managed by the Department of International Linkages of the University. The Exchange Program has become increasingly popular with the students and every year students get a chance to spend Semester/Trimesters at a partner Institute. With the dedicated efforts of the International Linkages department, efforts are ongoing to have a larger number of students to avail of this unique opportunity in every school. Students at NMIMS also benefit from interacting with overseas students who visit us as part of NMIMS Inbound exchange program and International Immersions.

To aggressively pursue the internalization agenda, NMIMS has signed MOUs with leading Universities. MOUs applicable for NMIMS ASM SOC are as given below:

- University at Albany, State University of New York, USA
- University of South Australia, Australia
- University of Bristol, UK
- Clark University, USA
- Stony Brook University, The State University of New York, USA
- The University of California, Riverside, USA
- University of Dallas, USA
- The University of Lausanne, Switzerland, (HEC Lausanne)
- The University of Leeds
- The University of Queensland
- Excelia, France

For more information, interested students can get in touch with the University International linkages department:

4. Examination Guidelines (ICA / TEE, Passing Criteria, Grading system, method of calculation of CGPA, Re-Examination, exceptional cases – medical etc.)

Examination weightages and credits

Break up for continuous evaluation of each course will be as under:

A student would undergo continuous assessment for each course/subject in all the semesters. Various components of such continuous assessment would be as decided by the respective course/ subject teacher/ faculty and approved by Dean /Director of the school concerned.

Component	Marks
Unit Test / Project/ Assignment/ Presentation/ Weekly Tests / Case Study/ Quizzes / any other (School)	50
Final term/ semester-end examination (University)	50
	100

Semester-end-exam Passing Criteria for each Course:

- To pass in a particular subject in any of the semester end examination or semester end re-examination, student must secure a minimum of 40% marks of the total maximum marks of that subject, in the semester end examination.
- “F” Grade would be awarded, where marks obtained are less than 40% in aggregate or where the marks obtained in the semester end examination are less than 40% of the total maximum marks of the respective course.
- Students who obtain marks between 40 and 49.99 would be awarded ‘D’ grade (low pass). Please refer ‘Grading’ scheme given below.
- A student cannot have more than 2 ‘D’ grades during an academic year. A student having more than 2 ‘D’ grades will not be promoted to the next academic year of the programme. These ‘D’ grades would be computed after re- examination.
- For subjects, which has only Internal Continuous Assessment component, passing will be at 40%.
- There is no provision for award of grace marks to any student.

Non – fulfillment of Passing Criteria

A student who has failed to fulfil the passing criteria as given above, will be required to appear for semester-end reexamination which will be conducted immediately after declaration of results of the said regular semester-end examination. The internal marks will be carried forward for the re-examination. A student has to submit an online re-examination form available on students’ SAP portal. Such students who fail to submit the form will not be allowed to appear for the re- examination. A student who has failed to fulfil the passing criteria of either odd or even semester (of respective years) after re-examination, the student will not be promoted to the subsequent year of the program.

Remedial classes would be organized by the School for all the students who fail to fulfil the passing criteria as mentioned above, before the conduct of the re-examination. However these remedial classes will be on demand from students and if a student registers for remedial classes, he / she is expected to maintain 100% attendance. If any student feels that he / she can manage without remedial classes, students can study on their own and appear for the re-examination. Later on, such students cannot complain, if they fail to clear re-examination.

Note: Remedial classes will be conducted by the faculty on demand, if number of students are more than 20. Otherwise, students can get their doubts cleared from the faculty on one to one basis.

In case, the student fails even in the re-examination/s of either odd or even semesters, which are so held, he/ she will not be promoted to the next year of the programme. Such student/s will have two choices to make. (1) He/ she can appear at the Term End Examination of the same year of the program in next academic year **Or** (2) seek re-admission for the said entire year. Students

who have got any “F” grade or more than 2 ‘D’ grade/s and do not want to take re-admission, are allowed to appear for the Term End Examination in the subsequent academic year alongwith the students of next batch, depending on, in which semester he/she has failed or got D. For example: if a student gets more than 2 D, or any F grade in Semester - I, he/ she has to appear for the subsequent year Term End Examination of Semester-I whenever it is conducted, so is the case with Semester-II, by paying necessary re examination fees. **In case of obtaining D or F grades even in this attempt, student will be given another re-examination chance to clear the same.** It is the responsibility of such students to keep him/ her informed about such examination dates (time table). In this case, their Internal Continuous Assessment marks will be carried forward and they will be allowed only for Term End Examination. If, in any case, students feels that he/she wants to improve their ICA, because of which they have scored F or D, they are eligible to take re admission for the complete academic year. In case of re-admission, the earlier results will stand null & void. Students have to appear as fresh candidates for both ICA & TEE.

Progression to the subsequent year of the programme

A student will be promoted to the subsequent year of the programme only when he/ she has no F grade and/ or not more than 2 D grades in the year after re-examination.

Grading System:

- The University follows a letter grading system leading to the award of a four-point Grade Point Average (GPA) for each term and Cumulative Grade Point Average (CGPA) for all the terms until date.
- ‘Letter grades’ and corresponding ‘grade points’ are as under:

Grade	Points	Class interval of marks	
A+	4	100%	85%
A	3.75	84.99%	81%
A-	3.5	80.99%	77%
B+	3.25	76.99%	73%
B	3	72.99%	69%
B-	2.75	68.99%	65%
C+	2.5	64.99%	61%
C	2.25	60.99%	57%
C-	2	56.99%	50%
D	1.5	49.99%	40%
F	0	39%	0

Calculation of GPA (Grade Point Average):

Grade point Average for a term will be computed by dividing, the sum of product of grade point of each course/subjects and credit value assigned to each respective course by the sum of credits assigned to all the courses / subjects for the related term.

$$\text{GPA} = \frac{\sum \text{CG}}{\sum \text{C}}$$

Calculation of CGPA (Cumulative Grade Point Average):

Cumulative Grade Point Average up to and including a term will be computed by dividing the sum of product of grade point of each course / subject and credit value assigned to each respective course by the sum of credits assigned to all the courses / subjects up to and including the related term till date.

$$\text{CGPA} = \frac{\sum \text{CG}}{\sum \text{C}}$$

Here:

C = Credit value assigned to a course /subject

G = Grade point value assigned to a student for course / subject corresponding to the letter grade (refer table given)

GPA = Grade point Average shall be calculated for individual term and referred to as Semester/ Trimester Grade Point Average.

If a student has failed to fulfil passing standard under any head in any subject (i.e. 'Semester/ trimester End Examination' and/ or 'aggregate'), he/ she shall be deemed to have failed in that subject.

General Rules

- A student who remains absent from term/ semester examination/s due to any reason in any subject shall be marked as 'AB' in the result/ grade sheet/ transcript for the subject/s in which he/ she has remained absent. All such students will be allowed to appear at re-examination in the said subject. The said reexamination will be conducted immediately after the declaration of the respective term examination. A student who remains absent in the re-examination would not be able to avail of any further re-examination chance.
- In order to receive the degree, the student will have to pass in all the examinations of all the years
- The fees for re-examinations and re-admission will be decided by the University from time to time.
- In case of any disputes/differences, the decision of the University shall be final and binding on the students. If a student desires to institute any legal proceedings against the University, such legal proceedings shall be instituted only in the court at Mumbai in whose jurisdiction the application is submitted by the student and not in any other court.
- Modification in criteria/rules: On the recommendation of the Board of Studies of the School of Commerce and the Board of Examinations, the Academic Council shall have the sole discretionary right to modify all or any of the above criteria at any time without prior notice.

These rules would be applicable to all the students who took admission/ re-admission in and after the academic year 2022-2023.
